VISION

To create a safe, responsible, and well-informed society where road crashes, injuries, and loss of property are drastically reduced through education, awareness, and empowerment.

We envision a transportation environment in Ghana that is safe, sustainable, healthy, and accessible for all users including drivers, pedestrians, cyclists, and passengers, while promoting community education, responsible driving, sanitation awareness, and empowerment programs that protect lives and property for a safer Ghana.

MISSION

To positively affect behaviors and attitudes, policies, investments and infrastructure to achieve our vision.

To provide a safe haven for people who have suffered mishaps from accidents and vulnerable life conditions.

CORE OBJECTIVES

- Build awareness and engage all road users on road safety measures and precautions.
- Ensure road safety policies are adhered to at all levels.
- Raise funds to support road safety campaigns and activities.
- Support road accident victims.
